- **NDOT is supporting Transportation Project Fund development for New Mexico Chapters.**
- **Arlando Teller (Washington DC) traveled to the Navajo Nation to inspect the Rail Road accident near Lupton.**

Navajo Nation – Eastern Navajo

- **Edwin Begay is the Senior Planner for Eastern Navajo indicated that NDOT is now updating Chapter routes and will follow up with Chapters for resolutions and inventory training.**
- Emergency repair work is ongoing for road repairs related to heavy Monsoon rainfall. Busy fixing Chapter access roads – primarily in Arizona and now in New Mexico.
- **Recently Arlando Teller – USDOT met with Anthony Dimas and Billy Moore to discuss Navajo roads.**
- Working on TTIP projects across the Navajo Nation.
- Providing Chapters technical assistance for ingress and egress – including the BIA and NM / AZ DOT. The BIA will provide road inventory training to NDOT.
- **Navajo Transit is now under Navajo DOT.**
- NDOT is also gearing up for school bus route improvements and asking route maps from the various Navajo Nation schools. **NDOT is completing School Bus Route mapping at this time. There is currently much concern around school bus routes and bridges which buses cannot cross.**

- **Transportation Project Fund project application was approved by DOT for the west Tsayatoh Road in Eastern Navajo at \$2,450,000.**
- NDOT is meeting with Chapters around regional priorities and funding; **Iyanbito bridge request remains a priority around significant rail crossing delays (especially around emergency response concerns).**
- There are concerns with overgrazing, along with dust storms and sand on roadways – NDOT will present to NM Indian Affairs on these concerns.
- For both Northern and Eastern Navajo there have been major road washouts due to flooding, which NDOT is addressing as best they can. NDOT staff will also be undertaking BIA Road Inventory training.
- **NDOT is asking Chapters for new projects, and follow up with Chapters on Capital Outlay.**
- **At this time, the Navajo DOT has no representatives to the NWRTPPO other than Margie Begay – they are working to identify new representatives for Northern, Eastern and Ft. Defiance Agencies.**

Proposed New Roadway Lighting Projects have no Planning, Designing or Construction funding, but the respective Chapters will be seeking funds to begin Road Safety Assessments, Design, and Construction: All these projects will be added to RTIPR for future funding of the projects.

Multimodal Planning & Programs Bureau – Sullivan Moore

- Sullivan Moore joined NMDOT’s Multimodal Planning and Programs Bureau as a Govt to Govt Planning Liaison on August 21. He will be the primary liaison assigned to NWRTPPO with Neala Krueger as support. Sullivan can be reached at Sullivan.Moore@dot.nm.gov or 505-467-9392.
- Sullivan Moore is the Govt to Govt Planning Liaison assigned to NWRTPPO. Sullivan can be reached at Sullivan.Moore@dot.nm.gov or 505-467-9392.
- The Grant Agreement for the *NWRTPPO’s Trail of the Ancients Scenic Byway Corridor Management Plan* was approved by NMDOT Legal and executed by all parties in DocuSign. Now, we are generating a contract number and obligating the funds. A Notice to Proceed is coming soon.
- On Friday 9/29, Sullivan Moore sent NWRTPPO a Notice to Proceed (NTP) for FFY24 funding for their Regional Work Program.
- A notice to proceed was sent on 11/29/23 for the NWRTPPO’s Trail of the Ancients Scenic Byway Corridor Management Plan; first report is due January 25, 2024.

- **Freight Advisory Committee meeting on March 26:** This will present an analysis of the recently completed Truck Parking Survey and look at trends around the state. If you have not received an invitation and you would like to attend, please reach out to Nathan Wagliardo, Freight Planner at Nathan.wagliardo@dot.nm.gov. NMDOT Truck Parking Geographic Survey and Analysis Project has developed a simple geographic survey tool to help ID truck parking locations where truck parking may be needed in New Mexico. The Program manager for this project is Joe Moriarty. We would appreciate help in IDing undesignated truck parking, new and forthcoming truck parking and where truck parking is needed. - **Route 66 Centennial Commission call for submissions for projects:** Rt. 66 turns 100 in 2026 and the commission is looking for projects in four priority areas: Commemorative & Publications / Infrastructure / Events & Celebrations / International & National Marketing. For further questions please visit their website at: [U.S. Route 66 Centennial Commission Official Website \(route66-centennial.com\)](http://U.S.Route66CentennialCommissionOfficialWebsite.com), or contact the commission at route66commission@gmail.com.
- **NOFO: Safe Streets and Roads for All (SS4A) USDOT: FFY24** is now open for applications. This program aims to help local and Tribal initiatives to prevent deaths and serious injuries. There are multiple deadlines depending on the type of grant. For Planning & Demonstration grants, there are three (3) deadlines: April 4, May 16, and August 29. For more information please visit this site: [Safe Streets and Roads for All \(SS4A\) Grant Program](http://SafeStreetsandRoadsforAll.com) | US Department of Transportation.

NMDOT Tribal Liaison – Ron Shutiva

- SW-TTAP (Tribal Transportation Assistance Program) will provide training March 12 – 14 at Twin Arrows.
- Ron is trying to meet with new tribal legislators and engage with DOT District staff.
- Ron encourages RTPO members to apply for NMDOT Transportation Project Funding.
- **Ron reminds members to follow up on Transportation Project Fund and Capital Outlay.**
- **Ron appreciates DOT Dist. 6 work on the I-40 corridor study.**
- **There will be a 2024 State Tribal Leaders meeting on June 18 at Navajo Prep. School in Farmington.**
- Reference Neala's announcement around T/LPA Handbook training. Ron will push more opportunities for Tribes.
- There is concern around litter and trash along I-40 intersection within the Pueblo of Laguna area.
- A corridor study is under consideration for I-40 from Arizona to Albuquerque – this will include consideration toward developing three lanes for this highway in each direction, given the truck freight traffic. Virtual Public meeting took place April 25 at 6:00 pm. Ron will be following up with Tribal entities for recommendations.
- Ron continues to work on engaging tribes around state corridors and is seeking help from regional media.
- There will be a session on I-40 improvements with NDOT.
- Ron recommends phasing projects due to increasing costs
- House Memorial 13 is executed for a study on the Ramah area Wolf Sanctuary Road for improvements.
- NM 118 drainage study request from Mark Freeland – Navajo Tribal Council.
- Iyanbito Chapter is requesting a bridge over the BNSF Rail Line. (Another consideration would be extending a paved road west to the Church Rock bridge – might cost less).
- **Ron is considering setting up quarterly tribal meetings with the DOT Districts, with consideration toward priority tribal projects.**
- **Ron reminds members to submit monthly reports for their Capital Outlay and Tribal Infrastructure projects.**
- **There are drainage concerns for Rt. 66 – adjacent to I-40 at the Ft. Wingate bridge.**
- Ron reminded members to pay attention to the “Buy America” guidelines. Our region did well for this round of TPF funds.
- Ron reminded members to stay on top of funding opportunities – with \$ billions forthcoming – remember to prepare for environmental requirements (which are time consuming) for this funding.
- Shiprock Bridge replacement is being sought by Rep. Charles-Newton and under consideration with the Feds and Daryl Bradley from NDOT. Shiprock Chapter supports this project (but not critical at this time).
- **Ron is now on the LTAP Board.**
- Hoping to push for NM64 projects and NM491 north of Shiprock projects; along with the Hogback rockslide mitigation on US491.

- An NM264 Corridor session is forthcoming for Yatahey to Window Rock. **Ron is pushing for improvements to this corrido.**
- **Concern that the NDOT is not involved with the NM I-40 studies.**
- **There's a new Indian Highway Safety Grant out from the BIA.**
- Reminding members to keep on top of deadlines for ICIP, TIF, and LGRF.
- **Transportation Project Fund: better to phase then have a shortfall on funding for proposed projects.**
- A national broadband project is establishing a broadband corridor along I-40, and will involve tribal discussion with Pueblos of Laguna and Acoma and Navajo Nation.
- **Ron is encouraging tribal members to pursue bridge funding.**
- **Ron reminds tribal members to pursue support and related letters of support from state and national legislators.**
- NM118 drainage analysis project is finally in progress as the Navajo Council is working on agreements with the local governments in the region of the study between Churchrock and Iyanbito; **need coordination with NDOT.**
- Ron reported on the NM118 drainage analysis that took place between the Iyanbito and Ft. Wingate I-40 intersections at previous meetings. Ron indicated he feels that NM118 drainage issues remain unresolved to this day (in spite of two studies!) and the Navajo Nation DOT remains non-responsive!

NMDOT District 5 – James Mexia, **Amanda Nino**

- **Transportation Project Fund applications should be submitted by May 15, 2024, so Dist. 5 staff can review and provide recommendations for finalization.**
- WHPacific is being contracted for a study on needed road and intersection improvements on US 64 – MP 0 – 20 (which includes the Shiprock School Zone). This project will be divided into two phases funded separately and referencing the District 5 HSIP plan for 2021 including a) primary / major Chapter or community intersections from Shiprock to the Arizona border and b) the Shiprock School Zone.
- The NM371 and N36 intersection near Northern Edge Casino is at 60% design; need ROW clearance / easement from NDOT.
- D-5 staff are managing project proposals for the 2021 Local Government Road Fund, and have received awards from the DOT General Office in Santa Fe for the next fiscal year.
- **Work is pending for NDOT Capital Outlay and N.O.O. – Please contact DOT District 5 SOON!!! Remember that Capital Outlay requires monthly report updates. Amanda encouraged RTPO members to provide Capital Outlay (CPMS) updates or the funding can be reverted; and pay attention to Capital Outlay reauthorizations.**
- **Local Govt. Road Fund (LGRF) and Municipal Arterial Project opportunities are coming soon.**
- **Watch out for funding deadlines!**

NMDOT District 6 – Mike Neely, **Bill Santiago**, Kyle Slim

- **Submit TPF applications by May 31.**
- DOT 6 has five Capital Outlay project agreements with the Navajo Nation at this time.
- McKinley County has three LGRF projects ready for close-out.
- D-6 must receive project close out or amendment notices by December 31.
- Local Govt. Road Fund Call for Project proposals are due by March 15, 2024.
- **Close out documents for LGRF and TPF have a May 31, 2024 deadline.**
- **NWRTPO members can use a resolution offered from DOT District 6 for Transportation Project Fund projects.**
- **With a lot of local govt. turnover including RTPO members, staff training may be needed to bring new staff with transportation focus up to speed.**
- **Michael Neely indicated that Clayton Garner's departure is now replaced with Mr. Kyle Slim.**
- **Bill reminded RTPO members that all NMDOT staff have new emails as: dot.nm.gov**
- **New Coop Agreements are coming soon – need resolutions.**
- **Local Govt. Road Fund** – as Stephanie from District 5 mentioned, the 5 certifications are also required before LGRF projects are considered construction ready. Keep District 6 informed on progress – the time is now critical to request an extension amendment as previously funded LGRF cycle is in close out! Extension requests are due by October 31 (including a resolution)! The new LGRF call for projects has a March 15 deadline. **Next cycle is coming soon!!**
- **Bill Santiago encourages RTPO members to pay attention to application deadlines around forthcoming funding. Also, be aware of staff changes at NDOT, NMDOT, and local governments.**

- **Keep DOT District 6 staff informed on progress for the Transportation Project Fund. 5 certifications takes time – try to get these executed during this Winter season so you are construction ready in the Spring!!**
- **Bill reminded RTPO members that the MAP funding proposals will be due soon.**
- Mike Neely is on board with NMDOT District 6 to assist the RTPO’s participating in the District 6 region – include Mr. Neely on all communication.
- Mr. Clayton Garner will fill JoAnn Garcia’s former position at the District. Reminding members to remind others that traffic safety is important in construction areas.
- Lisa Vega is now the Director for DOT District 6, as Larry Maynard has retired.
- For Local Government Road Fund projects – the District needs certifications for all projects – many RTPO members are not following LGRF guidance for project development and are trying to close out projects without having reported progress to the DOT or following what the program requires – this could jeopardize funding.

Reminder: NMDOT will have a new email: staff_member@dot.nm.gov.

NEW BUSINESS/OPEN FLOOR: MEMBERS & GUESTS (5-minute limit) - None
